

Radiochemistry Group
Analytical Division
The Royal Society of Chemistry

10th International Symposium
on
Environmental Radiochemical Analysis

13th, 14th and 15th September 2006
The Randolph Hotel, Oxford, England

<http://www.rsc.org/era2006>

Sponsored by:

First Circular

Organising and Technical Committee

Dr Jon Martin, Conference Chair, British Nuclear Group
Dr Anthony Ware, Treasurer, Environmental Energy Consultancy
Dr Kinson S Leonard, CEFAS
Professor Peter Warwick, Loughborough University
Dr Katherine Morris, University of Leeds
Dr Matthias Rossbach, IAEA, Vienna, Austria
Professor Syed Qaim, Jeulich, Germany
Dr Franz Schoenhofer, Vienna, Austria
Professor Bill Burnett, Florida State University, USA
Mr Mike Fern, Eichrom, USA

Diary

August 2005 Preliminary registration forms and invitation for abstracts
January 2006 Return of abstracts and preliminary registration forms
April 2006 Notification of acceptance of abstract and distribution of final registration forms
