## SAFETY DATA SHEET

DGA Resin - Normal SDS - Bulk and Cartridge

|  |  | <u> </u>     |                       |  |  |
|--|--|--------------|-----------------------|--|--|
| Section 1: Chemical Product and Company Identification |  |              |                       |  |  |
| Product Name   | DGA Resin - Normal   |              |                       |  |  |
| Product Number(s):                                     | DN1ML-R01-S, DN1ML-R50-S, DN-B01-A, DN-B01-G, DN-B01-L, DN-B01-S, DN-B25-S, DN-B50-S, DN-R01-S, DN-R25-S, DN-R50-S |              |                       |  |  |
| Product Synonym(s):                                    | DGA Resin - Normal   |              |                       |  |  |
| Identified Uses:                                       | Laboratory chemicals, manufacture of substances  |              |                       |  |  |
| Manufacturer:  | Eichrom Technologies LLC   | General      | (8-5 CST M-F)         |  |  |
|  | 1955 University Lane   | Information: | 800-422-6693 (in USA) |  |  |
|  | Lisle, Illinois 60532  |              | 630-963-0320          |  |  |
| 24 Hour Emergency N                                    | umber:   |              |                       |  |  |

| Section 2: Hazard(s) Identification |  |  |
|-------------------------------------|--|--|
|                                     |  |  |
| GHS Signal Word:                    | Warning  |  |
| GHS Classification of               |  |  |
| substance or mixture:               | Skin Irritant  |  |
|                                     | Eye Irritant   |  |
|                                     | Respiratory Tract Irritation   |  |
| Hazard Statement(s):                | H302 Harmful if swallowed  |  |
|                                     | H315 Causes skin irritation  |  |
|                                     | H319 Causes serious eye irritation   |  |
|                                     | H335 May cause respiratory irritation  |  |
| Prevention:                         |  |  |
| P261                                | Avoid breathing dust.  |  |
| P264                                | Wash hands thoroughly after handling.  |  |
| P270                                | Do not eat, drink or smoke when using this product.  |  |
| P271                                | Use only outdoors or in a well-ventilated area.  |  |
| P280                                | Wear safety goggles and/or face shield.  |  |
|                                     | Wear protective gloves.  |  |
| Response:                           |  |  |
| P301/P312                           | IF SWALLOWED: Call a POISON CONTROL CENTER or doctor if you feel unwell.   |  |
| P302/P352                           | IF ON SKIN: Wash with plenty of soap and water.  |  |
| P304/P340                           | IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.  |  |
| P305/P351/P338                      | IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. |  |
| P312                                | Call a POISON CONTROL CENTER or doctor if you feel unwell.   |  |
| P330                                | Rinse mouth.   |  |
| P332/P313                           | If skin irritation occurs, seek medical attention.   |  |
| P337/P313                           | If eye irritation persists, get medical attention.   |  |
| P362                                | Take off contaminated clothing and wash before reuse.  |  |
| Storage:                            |  |  |
| P403/P233                           | Store in a well-ventilated place. Keep container tightly closed.   |  |
| P405                                | Store locked up.   |  |
| Disposal:                           |  |  |
| P501                                | Dispose of contents/container in accordance with federal, state, and local regulations.  |  |

| Section 3: Composition / Information                                       |  | <b>v</b>  |  |
|--|--|---|--|
| Component  |  | CAS_Number  | Percentage Range                                     |
| Nonionic Acrylic Ester Polymer   |  |   | 60%  |
| N,N,N'N'- Tetraoctyl-3-oxapentanediam                                      | ide  | 342794-43-8   | 40%  |
| Section 4: First-aid Measures  |  |   |  |
| General Advice   |  | ing may occur after sev<br>at least 48 hours after  | veral hours; therefore medical observation exposure. |
| Ingestion  | IF SWALLOWED: IMMEDIATELY call a POISON CONTROL CENTER or doctor.  |   |  |
| Skin Contact   | Wash immediately with soap and copious amounts of water. Remove and wash contaminated clothing promptly. If irritation develops, seek medical attention. |   |  |
| Eye Contact  | IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.                         |   |  |
| Inhalation   | IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.  |   |  |
| Most important symptoms and effects, both acute and delayed                | No further relevant ir   | nformation available.   |  |
| Indication of any immediate medical attention and special treatment needed |  | mptoms (decontamina   | tion, vital functions), no known specific            |
| Section 5: Firefighting Measures   | •  |   |  |
| Extinguishing Media  | Use fire extinguishing   | g methods suitable to s   | surrounding conditions                               |
|  | Foam, CO2, Dry Che   | emical  |  |
| Protective Equipment   | Wear positive pressu<br>protective equipment   |   | thing apparatus and full personal                    |
| Section 6: Accidental Release M  | easures  |   |  |
| Methods and materials for containment and cleanup                          | Sweep up material a  | nd transfer to a suitable   | e container for disposal.                            |
|  | Use proper personal  | protect equipment (sp   | ecified in section 8)                                |
| Personal precautions   | Surface may be slipp   | bery.   |  |
| Environmental Precautions  | Avoid release to the   | environment   |  |
| Reference to other sections  | For disposal see sec   | tion 13.  |  |
| Section 7: Handling and Storage  | 1  |   |  |
| Specific End Use(s)  | Apart from the uses  | mentioned in section 1  | no other specific uses are stipulated.               |
| Conditions for safe handling   | temperature.   | -   | nay fracture. If frozen, thaw at room                |
|  |  | aust if dust is formed.   |  |
| Conditions for safe storage  |  | : 0 to 50 °C (32 to 1)  | 22°F)  |
